VirtualCon
NOV 3-5 2023

WRAP REPORT

THANK YOU!

VirtualCon has successfully wrapped up its 7th year! What a fun, informative and exciting event this was, and it's all thanks to our amazing sponsors, exhibitors, presenters, performers and attendees! This year saw an update of the main hall, lots of engaging booths and presentations, and of course the 2023 VirtualCon Awards and afterparties! All three days were free to attend, and we saw almost 1400 unique visitors in Utherverser Hall alone! Wow!

We're so proud of everyone who made this year's convention happen and we can't wait to do it again next year!

Convention Highlights:

Friday was packed with talks from amazon presenters: Tyomi Morgan gave tips on how to spice up our long-distance relationships; Legacy Inspired Films brought us into the future with crypt-funded TV & film; we got a sneak preview of what's next with the Xaeon browser with Utherverser's Lead Developer, Red Queen; and DeathDivision walked us through integrating with Web3 as a beginner!

Saturday was just as exciting: Utherverser founder, Brian Shuster, delivered an inspiring Keynote Address; we got to peak behind the scenes with the Utherverser Art team; MystikMoon taught us how to DJ in Utherverser; and there were many other talks by members and volunteers!

Sunday brought us the big finales: The 2023 VirtualCon awards, honoring the best of VirtualCon this year as voted on by attendees; and of course the big closeout afterparty hosted by Platinum Sponsor, Intrigue Night Club!

Every Day was packed with virtual performances, games and giveaways, with lots of booths to see, and a daily afterparty!

THANK YOU to our PLATINUM SPONSOR, Intrigue Night Club! You brought the party to VirtualCon 2023 and sent it out with a bang!

We'd also like to thank all our other wonderful sponsors, including:
